An aerial photograph of a port area and surrounding community, overlaid with a semi-transparent green filter. The port features several large ships docked at piers, with cranes and industrial structures visible. The surrounding area includes residential neighborhoods with houses and trees, as well as some commercial buildings.

VISION AND MISSION

VISION

To operate as a **self-supporting** port that enforces the principles of sound public stewardship maximizing the potential of maritime-related commerce and regional economic benefit.

MISSION

To be the preferred port for **specialized cargo** and provide the maximum possible economic and social benefits to our community and industries served.
